

Amateur Theologians

(“amateur”: a person attached to a particular pursuit for the pure joy of it)

We are a group of regular folk who like to get together and talk about big questions: God, meaning, Jesus, life, hope, love., etc.

This year, we'll be reading and talking about this engaging book.

Why does God allow suffering in the world?

How could a loving God send people to Hell?

Why isn't Christianity more inclusive?

How can one religion be "right" and the others "wrong"?

Why have so many wars been fought in the name of God?
